About me

I love to craft digital products using open technologies - with the goal to build unique experiences, improve productivity and expanding knowledge

Technical skills

Programming Languages

- Kotlin
- Java
- Swift
- Python
- JavaScript

Frameworks

- Spring Boot
- React Native
- PyTorch

Databases

- PostgreSQL
- MySQL
- MSSQL
- Oracle
- Couchbase

Workflow

- Git
- Docker
- CI / CD (GitLab, GitHub)

Platforms

- Linux
- macOS
- iOS
- Android
- Kubernetes
